*Complete all requested information. Incomplete order forms **will** result in order delays.*

In response to numerous requests, the Companion Guide for Teachers is being made available for sale to individuals (i.e., students or parents). The Companion Guide for Teachers was developed for classroom use by the instructor, along with the Student Study Guides, for the purpose of helping students prepare to take a specific occupational exam. Using this tool will familiarize students with the NOCTI® testing process and the major topics that are covered on the test.

The Companion Guide for Teachers is not intended to be a substitute for coursework and classroom activities. NOCTI makes no representations or warranties of any kind, express or implied, about a student's success in obtaining a passing score on the NOCTI test as a result of using this Guide. This purchase option is not a substitute for the complete Study Guide Package available for purchase by school districts participating in NOCTI testing.
