

PROCESS FOR SUBMITTING ORDERS

NOCTI introduced our new online order system for student assessments and study guides this past testing season, and we are pleased to say it was very well received! Due to the overwhelming success of the online order system and our commitment to “go green”, hard-copy order forms for student assessments and study guides are no longer used. All student assessment and study guide orders **must** be placed using the online order system.

Please return to the Client Services Center home page and select the Place Order icon to start the order process (or click on this link below).
