**Test Type:** The Protective Services industry-based credential is included in NOCTI’s Job Ready assessment battery. Job Ready assessments measure technical skills at the occupational level and include items which gauge factual and theoretical knowledge. Job Ready assessments typically offer both a written and performance component and can be used at the secondary and post-secondary levels. Job Ready assessments can be delivered in an online or paper/pencil format.

**Revision Team:** The assessment content is based on input from secondary, post-secondary, and business/industry representatives from the states of Georgia, Kentucky, Michigan, Minnesota, North Carolina, Pennsylvania, and Virginia.

**CIP Code**

43.9999- Homeland Security, Law Enforcement, Firefighting and Related Protective Services, Other  
33-9099.00- Protective Service Workers, all Other

**Career Cluster 12- Law, Public Safety, Corrections and Security**

The Association for Career and Technical Education (ACTE), the leading professional organization for career and technical educators, commends all students who participate in career and technical education programs and choose to validate their educational attainment through rigorous technical assessments. In taking this assessment you demonstrate to your school, your parents and guardians, your future employers and yourself that you understand the concepts and knowledge needed to succeed in the workplace. Good Luck!

**In the lower division baccalaureate/associate degree category, 3 semester hours in Criminal Justice.**
NOCTI written assessments consist of questions to measure an individual's factual theoretical knowledge.

**Administration Time:** 3 hours  
**Number of Questions:** 172  
**Number of Sessions:** This assessment may be administered in one, two, or three sessions.

**Areas Covered**

- **Public Safety:** 19%  
- **Law Enforcement:** 32%  
- **Fire Fighting:** 19%  
- **Emergency Medical Services:** 15%  
- **Career Development:** 8%  
- **Homeland Security:** 7%
Specific Standards and Competencies Included in this Assessment

Public Safety
• Implement universal precautions and sanitation procedures
• Identify major federal regulatory agencies and how they enforce laws and regulations
• Describe proper emergency vehicle operations (EVO)
• Display understanding of ethical dilemmas in the field of public safety

   D. deter terrorists from entering and operating within the U.S.
NOCTI performance assessments allow individuals to demonstrate their acquired skills by completing actual jobs using the tools, materials, machines, and equipment related to the technical area.

**Administration Time:** 2 hours and 45 minutes  
**Number of Jobs:** 8

**Areas Covered:**

- **8% Street Interview**  
  Participants will complete street interview, stop and frisk suspect, and confirm identity.

- **19% Arrest and Search**  
  Participants will arrest, handcuff, and search a suspect, find and collect evidence, and transfer custody of suspect and evidence.

- **10% Complete an Incident Report**  
  Participants will collect identifying information, and record the narrative.

- **7% Chemical Identification**  
  Participants will complete the worksheet.

- **17% Fire Suppression Demonstration**  
  Participants will suit up, assemble and use fire hose, enter the building and search for victims, remove the victim, and provide care for the victim.

*(Continued on the following page)*
Areas Covered (continued)

18% Vital Signs
Participants will interact with patient, check their blood pressure, pulse, respiratory rate, temperature, and pupil dilation status, and relate patient status to the EMS.

10% Perform CPR on an Adult
Participants will safely determine the level of consciousness and correctly perform CPR.

11% Patient Assessment
Participants will “size-up” the scene, care for the patient, and complete the assessment form.
Sample Job

Street Interview

**Maximum Time:** 10 minutes

**Participant Activity:** Using the scenario provided, the participant will tactically approach the suspect, identify yourself, and briefly state the reason for your inquiry. Inform the suspect that you will perform a brief “stop and frisk” (or pat down) procedure. Perform the “stop and frisk” (or pat down) procedure, request valid identification from the suspect, and perform a “verbalized” computer check of the suspect’s identification.
