

21st Century Skills for Workplace Success

Well-rounded employees are in high demand! Employers are seeking individuals with strong technical AND employability skills—the skills that will help them to be successful in their career. As companies are challenged to succeed in a competitive global market, there will continue to be a focus on hiring employees who possess these critical skills!

Leaders from industry and education identified these employability skills to serve as the foundation for NOCTI's 21st Century Skills for Workplace Success assessment:

- Reading, Math, Writing, Speaking & Listening Skills
- Computer Applications & Digital Media
- Reasoning, Problem-Solving & Decision Making
- Understanding the "Big Picture"
- Work Ethics
- Positive Attitude
- Independence & Initiative
- Self-Presentation
- Attendance
- Collaboration
- Personal Health & Wellness
- Entrepreneurship
- Personal Finance

Student Recognition

Students have an opportunity to earn a NOCTI Workforce Competency Credential and College Credit!
