

# NURSING ASSISTANT CERTIFICATION

The healthcare field continues to represent the fastest growing segment of our nation's economy and there will continue to be a demand for highly qualified individuals to fill positions in the field.

## GET CERTIFIED!

NOCTI and the American Medical Certification Association (AMCA) are now offering a Nursing Assistant Certification (NAC) exam with NOCTI's Job Ready Health Assisting Assessment serving as a pre-requisite for the certification.

## STEPS:

**Step 1:** Take the NOCTI Health Assisting Assessment.

**Step 2:** After meeting the required score (73.6%) on the Health Assisting assessment, register to take the NAC Exam.

**Step 3:** Receive and review NAC Exam study materials.

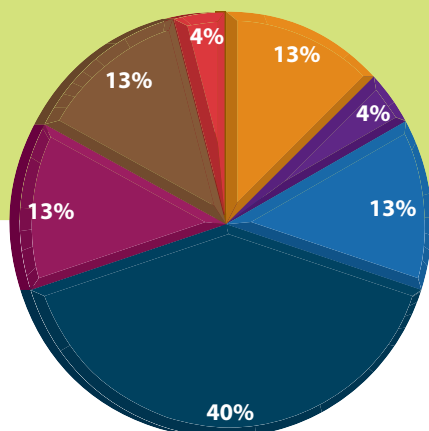

**Step 4:** Take the NAC Exam.

**Step 5:** After meeting the required score (70.0%), complete and submit a certification application form to AMCA.

**Step 6:** Receive certification!

## NAC EXAM CONTENT:

- Anatomy & Physiology
- ETC
- Law & Ethics
- Medical Office/Patient Care Skills
- Medical Terminology
- OSHA & Infection Control
- Pharmacology

For further information about the NAC exam offered through NOCTI including cost, an overview of exam content, and steps to administering the exam, please visit [www.nocti.org/amca.cfm](http://www.nocti.org/amca.cfm).
