

Study Guides

Preparing for Success!

Student Benefits

Provide your students with a test preparation advantage! Study guides offer useful tools which can be completed individually or in small groups...

- ★ Written assessment overview:
 - List of competencies covered
 - Assessment content distribution
 - Sample assessment items
 - Study checklist by content area
- ★ Performance assessment overview:
 - Description of hands-on activities (jobs)
 - Study checklist by performance job

Teacher Benefits

Teachers and students work together to build confidence in preparation for testing. The teacher companion guide provides these helpful features...

- ★ Tips and suggestions for:
 - Overcoming test anxiety
 - Improving study skills
 - Preparing timelines
 - Presenting sample questions including rationale for correct and incorrect answers
 - Using specific hints to isolate content areas students find most difficult

Online Sample Questions

- ★ Students will:
 - Experience the online testing system features
 - Be introduced to test question format
- ★ Teachers will:
 - Observe students in an online test setting by proctoring the sample tests
 - Review the online experience with their students

Study Guide Packages

Study Guide Package Price.....\$35.00
