ACCREDITATION

### What is ICAC?

The ICAC is an alliance of organizations dedicated to assuring competency, professional management, and service to the public by encouraging and setting standards for licensing, certification, and credentialing programs.

### What Does ICAC Accreditation Mean?

The ICAC's recent accreditation of NOCTI and Nocti Business Solutions confirms the validity of their programs by a neutral third party and that the credentials follow the best international industry practices and standards.

### What is ISO 17024?

The standards outlined in ISO 17024 focus on conformity assessment and regulate general requirements for certification. These standards create a global benchmark for personnel certification programs, helping guarantee that they operate in a consistent, comparable and reliable manner worldwide.

\*The accreditation of NOCTI is affiliated with the International Certification Accreditation Council (ICAC) and should not be confused with ANSI's International Conformity Assessment Committee (ICAC) or ISO CASCO.
