General Assessment Information (continued)

The Association for Career and Technical Education (ACTE), the leading professional organization for career and technical educators, commends all students who participate in career and technical education programs and choose to validate their educational attainment through rigorous technical assessments. In taking this assessment you demonstrate to your school, your parents and guardians, your future employers and yourself that you understand the concepts and knowledge needed to succeed in the workplace. Good Luck!

INTERNATIONAL SIGN ASSOCIATION

www.signs.org

The International Sign Association (ISA) represents manufacturers, suppliers and users of on-premise signs and sign products from all 50 states and around the globe. The sign and visual communications industry is a \$37.5 billion business that employs more than 200,000 individuals. One of ISA's long term goals is to showcase and promote the many exciting and diverse career opportunities that exist within the sign and visual communications industry and to apprise students of the abundant employment opportunities that are present to skilled and qualified candidates. ISA strongly encourages and supports students that work to enhance their educational achievements by completing NOCTI assessments.

The Center for Global Education at Asia Society drives educational transformation in the United States and around the world to educate all students for employability and citizenship in a global era. Asia Society and NOCTI have collaborated to integrate global competence into the 21st Century Skills for Workplace Success credential. The Center for Global Education recognizes the importance of both employability skills and global competence as key components for a future workforce where success increasingly requires the ability to compete, connect, and cooperate on an international scale. By completing this assessment, you are demonstrating your understanding of these key components!

Written Assessment

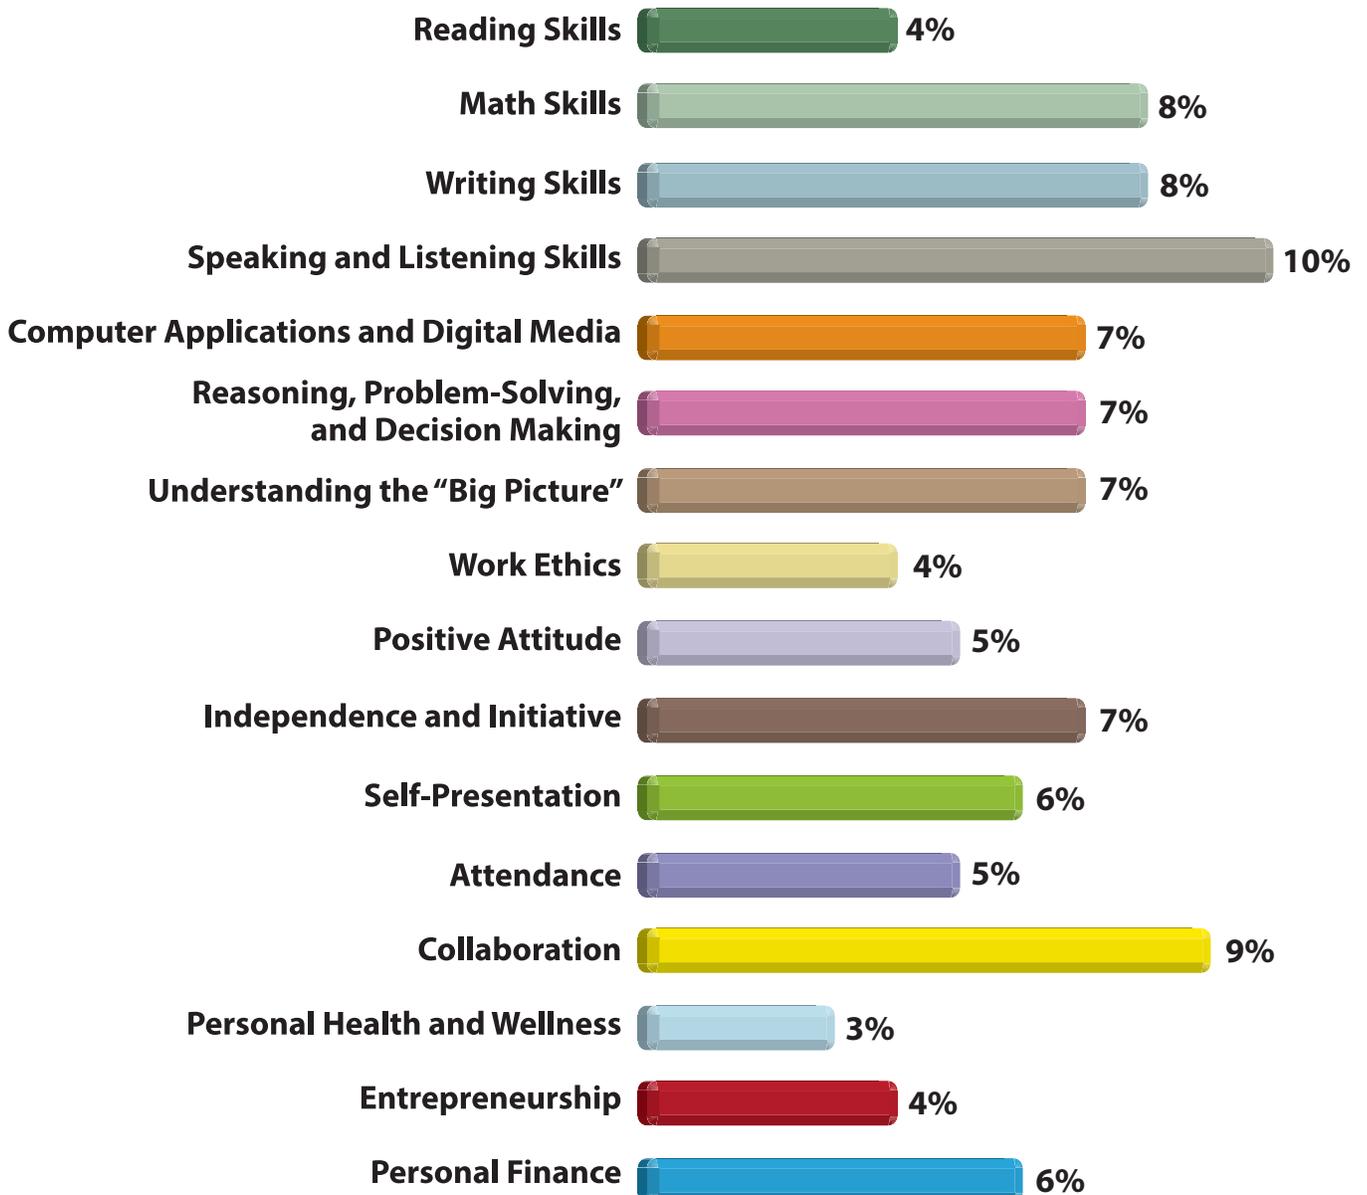

NOCTI written assessments consist of questions to measure an individual's factual theoretical knowledge.

Administration Time: 3 hours

Number of Questions: 144

Number of Sessions: This assessment may be administered in one, two, or three sessions.

Areas Covered
