General Assessment Information  
Written Assessment Information

Sample Written Items  
Specific Competencies Covered in the Test

**Test Type:** The Emergency Medical Services industry-based credential is included in NOCTI's Pathway assessment battery. Pathway assessments assess knowledge and skills at a broader level than the Job Ready assessments and focus on the Pathways established as part of the national career cluster model. Pathway assessments are delivered entirely online which allows NOCTI to include engaging interactive items.

**Revision Team:** The assessment content is based on input from secondary, post-secondary, and business/industry representatives from the states of Florida, Georgia, Kentucky, Michigan, New Jersey, North Carolina, Pennsylvania, and Virginia.
