2022 Information

Dr. Carl J. Schaefer gained national recognition as a Career and Technical Education (CTE) educator and author and was one of NOCTI's founding fathers. To honor Dr. Carl J. Schaefer, NOCTI and Mrs. JoAnn Schaefer created the Carl J. Schaefer Memorial Award as a tribute to Dr. Schaefer's memory and to recognize an outstanding CTE teacher and CTE teacher candidate.

To qualify, a candidate must be one of the following:

- **CTE Teacher:** Individual who is already certified and working toward advancing their degree in CTE. CTE teachers would use the award money for tuition, room and board, books, or other education-related expenses.
- **CTE Teacher Candidate:** Individual who has experience working in a technical area but does not necessarily have a degree. Generally, CTE teacher candidates are required to take courses to become certified and would use the award money for classes (tuition), room and board, books, or other education-related expenses.
